R.Kumar and Company creates beautiful Eco- friendly shopping bags from the most carefully chosen and exquisite natural jute, cotton & canvas materials. Each individual bag is the result of highly skilled craftsmanship married with creativity, imagination and innovation. Our Products have found wide acceptance in environment conscious countries and are fast replacing paper and plastic bags.

What makes us leading exporter of Jute Bags in Global Market?

- ★ Meet customer expectations, then exceed them.
- ★ Abide to comply with environmental laws and regulations, health and safety standards.
- ★ Continous innovation of latest trends and requirements of the industry.
